To our Residents:

**Re: Transportation to San Antonio Plaza or Ayala Center**

We would like to inform our residents that DVA will be launching a new transportation service tomorrow for those who are unable to commute to and from San Antonio Plaza and the Ayala Center to purchase groceries and medication. Security agency drivers will be available for our residents, specially our Senior Citizens and PWDs plus one household staff, if necessary. Transportation to the stores will be thru first come, first served sign up and will be limited to 5 households a day on Wednesdays and Fridays. Because of the unpredictability of shopping time, the return trip will be arranged via text or phone after the purchases are made.

**We recommend, however, that all residents, specially our senior citizens and PWDs stay home and explore home delivery services.**

Service : Transportation to San Antonio Plaza or Ayala Center  
Day : Wednesdays and Fridays  
Time : Pick up from homes will be every hour starting at 8 am. Last Departure from DV will be at 12 noon. One household per Departure and Return.

Contact  
& Sign-up: First Come First Served by contacting the DVA Office at 8 843 2262 or SMS/Viber to 0956 8890346
