### **MECQ DVA Guidelines**

**August 3, 2020**

---

4. Pool and Garden Maintenance will be allowed.
5. Residents under 21 years old or 60 years old and older are still required to stay home except for essential activities. They are allowed to go out for outdoor exercise provided that the safety protocol of wearing face mask and social distancing is observed.
6. The Basketball Court, Gym, Tennis Courts and Pavilion are still off-limits. These areas will be used as barracks and quarantine area by our stay in security and maintenance personnel for the duration of the MECQ.
7. Most deliveries are allowed. However, to avoid delays, please call DVA Security Office at 8 810 8484 or 8 810 8787 in advance.
8. Starting tomorrow, August 4, 2020, the operation of DVA office is temporarily suspended except for some personnel who will stay in to continue overseeing the basic services to Dasmariñas Village residents.
9. Finally, please bring your Quarantine Pass when you go out since we do not know what policies other LGUs or establishments will impose.

Except to access essential goods and services, and work in approved industries, strict home quarantine should be observed. We strongly urge each and everyone to please continue to follow procedures: wear face masks, observe social distancing, wash your hands frequently and to stay home and only go out when necessary.

Thank you very much and we hope for your continued cooperation.
